MCRTL has a booth inside this year! We are in great need of people to work a two-hour shift.

Where else can you work for two hours, sitting down, with a fan blowing on you, and meeting wonderful people!

Contact Mary Jo Enneking at 339-3198 if you can help!

Thank you! We are all so busy!!! That makes the time that you volunteer even more precious!

Thanks again to all those that volunteered to help work or set up the booth at the Strawberry Festival. OHIO LEGISLATION UPDATE: The Ohio Attorney General's office filed a memorandum in response to the Women's Med Center license revocation appeal. In the memorandum, the Attorney General's office states that, the Court should not review this case, "because it was rightly resolved" in previous decisions. The Ohio Supreme Court will now make its decision on whether they will take action on this case, therefore upholding the license revocation of Women's Med Center.

IN THE NEWS

OKLAHOMA-JULY 12, 2019

It took four years and three months, but Oklahoma County District Judge, Cindy Truong today upheld the state's Unborn Child Protection From Dismemberment Abortion Act. "Dismemberment abortions are barbaric, brutal and subject unborn children to more cruelty than we allow for death row inmates", said Oklahoma Attorney General Mike Hunter.

"It is unconscionable to think that we would allow this practice to continue; to think that we would allow this practice to continue. Today is a major victory for basic human decency in Oklahoma."
