MCPLEF MAKES IT EASIER TO DONATE!!

It is now much easier to support the mission of Miami County Pro-Life Educational Foundation. We now have more ways to accept donations. Supporters may continue to mail in their donations to MCPLEF at P. O. Box 583, Troy, Ohio 45373 or, more conveniently, use the **PayPal button below**. You do not have to be a PayPal member to donate. Credit cards will be accepted at the PayPal site; a confirmation of your donation will be sent to your email address.

MCPLEF is a 501(c)3 companion organization to Miami County Right to Life Society— a 501(c)4 organization.

MCPLEF uses donations to educate others about pro-life issues. It also uses donations to train, educate and provide aid to families in need. Donations are also used to pay bills that the office incurs— electric bill, gas bill, etc. at the office site at 305 E. Main St., Troy, Ohio 45373.

One of the educational programs made possible by your donations is **Healthy Moms, Healthy Babies (HMHB)** The program requires expecting clients to watch two videos. **The required video is about Sudden Infant Death Syndrome (SIDS) and how it can be prevented.** The client can choose the second video from many on child development and good parenting.

Before and upon completion of the SIDS video, the client takes a short test which enables our volunteer to discern if they understood what was discussed in the video. A short discussion about the video usually follows.

By participating in the HMHB program, our pregnant clients earn a crib and mattress which is theirs to keep. MCPLEF encourages new mothers through education and also provides a safe place for their babies to sleep. This is a synopsis of one of the programs of the Miami County Pro-Life Educational Foundation.

All of our activities are funded through grants and donations. Without our supporters, we would not be able to help the needy mothers and babies in Miami County.

On behalf of MCPLEF and the mothers and fathers who participate in our programs, we want to **THANK YOU** for keeping these programs available through your donations.

Please **click** the **PayPal button**. You will then be directed to the PayPal donation site.

KAY L FINROCK

It is with heartfelt sadness that we say goodbye to Kay Finrock. Kay was a volunteer and supporter of LIFE for many years. Kay passed away on Holy Saturday, April 15, 2017. She closed her eyes to this earth and opened them in the arms of Jesus forever.

Kay will be missed by all of us and we extend our sympathy and condolences to her family.

We are looking for enthusiastic, 100% prolife-volunteers. Candidates are asked to volunteer at least two hours a week at our LIFE office. We currently have openings to fill on Mondays and Tuesdays.

If you are able to help, please contact Sheri Timmers at 937-335-LIFE and leave your contact information in a message for her.

Thank you!!!!

Thanks to all mothers you are the root and foundation of the family. Where would we be without their loving guidance?

Its very appropriate that we celebrate our mothers by giving them a rose—the symbol of love. Hope that all of you had a day of love and peace!!

Our Dad

**God took the strength of a mountain,
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea,
The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle's flight,
The joy of a morning in spring,
The faith of a mustard seed,
The patience of eternity,
The depth of a family need,
Then God combined these qualities,
When there was nothing more to add,
He knew his masterpiece was complete,
And so, he called**

it
